Jersey City Award Program Honors the Achievement

JERSEY CITY January 21, 2022 -- Msquare Systems has been selected for the 2022 Best of Jersey City Award in the Business Management Consultant category by the Jersey City Award Program.

Each year, the Jersey City Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Jersey City area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2022 Jersey City Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Jersey City Award Program and data provided by third parties.
